

# Start a Charge Using a Blink Kiosk

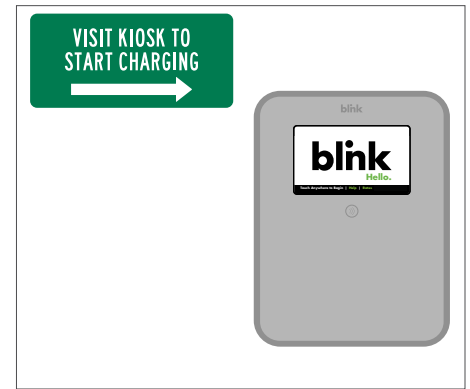

## 1 Note Unit Number

After parking, be sure to plug in your car. Take note of the kiosk number on the unit.

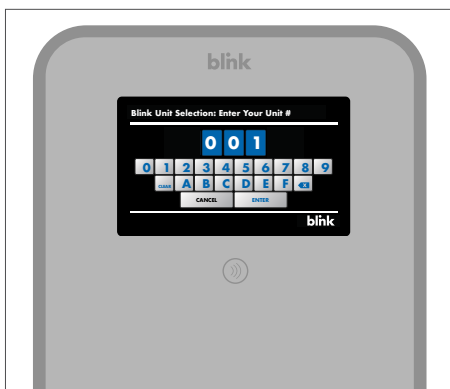

## 2 Start Charge via Blink App

If you have the Blink Mobile App, simply click "Charge."

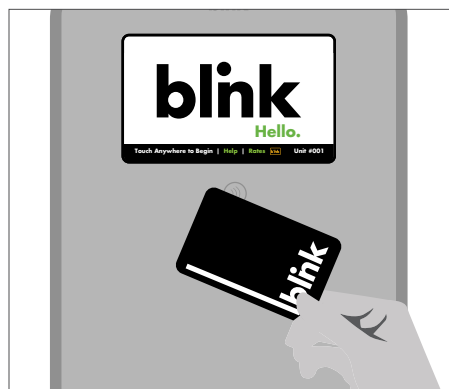

## 3 Locate Kiosk

If you don't have the app, head to the nearby Blink kiosk. Signage should indicate where it is located.

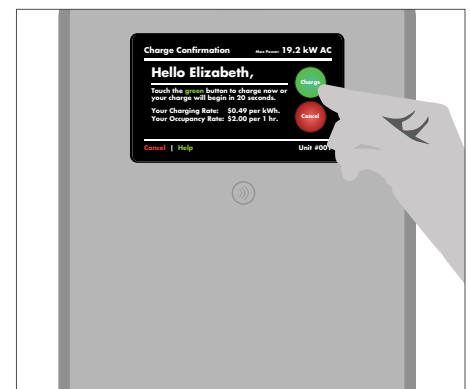

## 4 Enter Unit Number

Touch the screen and enter the 3-digit charger number.

## 5 Activate with Card

You can now start the charge using your Membership Card, or a guest code.

## 6 Press Charge

Once the screen activates, press "Charge." The charge will also start automatically after 20 seconds.

Thank You for Charging with Blink. Charge On!
